CLAY HILLS HERD

owned by Carl H. Stander, Rt. 2, Bellville, Ohio

SALE TO BE HELD at the MORROW COUNTY FAIR GROUNDS

Mt. Gilead, Ohio, Sat., May 28, 1960

Starting at 11:00 a.m., Eastern Standard Time

HAL LONGLEY, Sale Manager – 16 S. Locust St., Aurora, Illinois

ON THE FRONT COVER – Pictured on the front cover is the great old producing cow, Oakfield Estelle 2d, with one of her many calves. She will sell as Lot 32 in this dispersion, along with two daughters and two granddaughters. The calf in the picture, a son of Greenwood Souvenir, was purchased at weaning time for \$1,000 by Bowman & Son, Boonesville, Virginia.

Both the cattle and the scenery are beautiful at Clay Hills Farm _ _ _

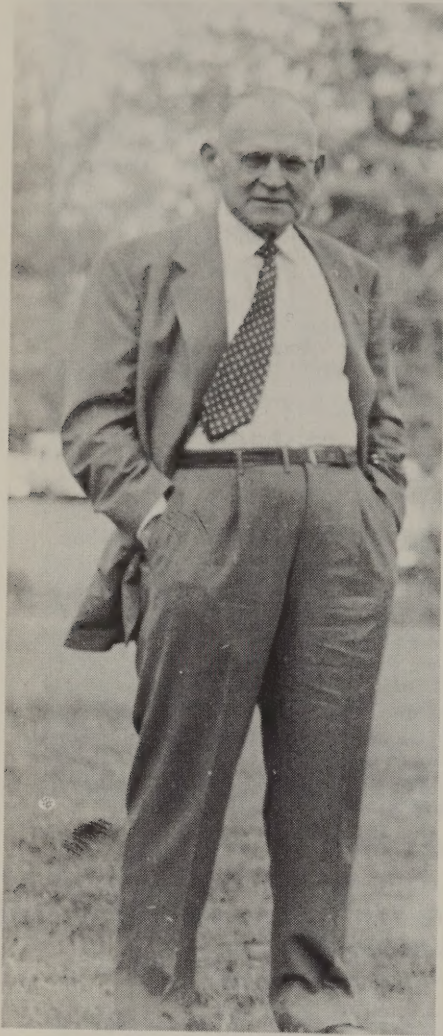

THE CLAY HILLS HERD

Founded in 1933 by the purchase of six cows and a bull from the Maxwalton Herd near Mansfield, Ohio. The original herd sire was by Browndale Golden Victor by Browndale Count and out of a Princess cow by Browndale Count. Next a grandson of Browndale Goldspur was purchased, followed by bulls of Klaymor and Marellbar breeding. Additional females were purchased from outstanding producing families from time to time with but one thought...to produce truly beef cattle. A severe culling program was followed at all times until a uniform herd of cows of heavy bone, short legs, good scale and substance was obtained. To this foundation the great beefbull and Shorthorn improver Greenwood Souvenir was added. His first calves were the sensation of the shows where exhibited, including the International Livestock Show at Chicago.

Every calf sired by Greenwood Souvenir was better than its dam, proving the ability of the sire as an improver. Souvenir died in the herd leaving as good a bunch of beef Shorthorn cows as can be found anywhere by one sire. Twelve of these cows remain in the herd and will be included in this dispersion. Souvenir's great breeding ability was more appreciated when the attempt was made to find another to equal or better his record. Trips to Scotland and to many herds in Canada and the USA were undertaken in our search, and we finally reached a decision to purchase Ballathie Majestic, second in class at the Perth Show in Scotland. We were attracted by his good conformation, smooth fleshing and great masculine head.

When Majestic's heifers became old enough to breed, we obtained Louada Mandate by Calrossie Armada. How well these bulls have performed will be left to the judgment of the buyers on sale day. While our search for herd bulls was going on, we elected to save the last son of Greenwood Souvenir for herd bull insurance. Only five cows were mated to him and mostly on second choice, with the result that we now have probably the five best calves ever dropped at Clay Hills. All will be offered in this sale. Since Souvenir 47th have proven himself, a number of our cows are now settled to his service.

The herd is Certified Brucellosis Free, Certificate 15707 expiring December 5, 1960. We have been a Tuberculosis Free Accredited Herd for many years, No. 534652, with renewal date April 19, 1960. Calfhood vaccination has been practiced from the beginning, every female calf being vaccinated by a regular veterinarian as soon as she becomes six months of age. The herd was individually checked for symptoms of any transmissible diseases or exposures thereto by our veterinarian, Dr. John R. Eppley, Bellville, Ohio, on December 7, 1960, and we have his written statement "to the best of my knowledge and belief, the herd is free from any such symptoms."

Wallace V. Campbell

A 1933 PREDICTION THAT CAME TRUE

Carl Stander Buys Foundation For Strong Herd

Wallace V. Campbell, manager of Maxwalton Farms, Mansfield, Ohio, writes that the foundation for a strong new herd has been purchased by Carl H. Stander, Mansfield businessman, for his farm near that city. Mr. Stander selected five choice cows, members of the strongest Maxwalton families. All had calves at foot by Browndale Golden Victor and Maxwalton Browndale and were rebred to the first named bull. Mr. Campbell states that this could develop into one of Ohio's finest herds.

— *The Shorthorn World*, August, 1933.

From this beginning, additional BEEF-TYPE Shorthorns were purchased from the outstanding herds of the United States, Canada and Scotland, until today CLAY HILLS numbers in excess of 100, notwithstanding a rigid culling during the entire 27 years. From Browndale through Colynie Royal Barrage, Pittodrie Upright, Greenwood Souvenir and on up to Ballathie Majestic and Louada Mandate, the blood of the breed's best sires has been infused, and now we can justify Wallace's kind prediction: "ONE OF OHIO'S FINEST HERDS."

OF THE LARGEST AND STRONGEST HERDS IN AMERICA

Three good cowmen get their heads together . . . Carl Stander, owner of the Clay Hills Herd; Luther Rice and Jim Stokes. The latter two maintain strong herds in Kentucky.

While everyone realizes when commencing an activity that similar plans must sometime be made to end it as well, still the actual decision to disperse a herd becomes much harder especially after twenty-seven pleasurable years of successful operation.

Our expanding interests in the construction industry have made it practically impossible to devote the necessary time to properly supervise the herd and attend to the many details so vital to continue. Our health and ages mandate that we restrict activities, consequently business before pleasure becomes inevitable.

We spent much time and study in selecting the various families comprising our herd and confidently feel we have assembled as good a group of cows as the breed affords. Our herd sires were always obtained with but one thought in mind, "to improve the herd" and no expense was spared to obtain the most desirable bulls. The herd is at its peak of production, every cow having had a calf within the past year except two. Their health is excellent, being certified for both T.B. and Bang's Disease, calfhood vaccination having been practiced for many years. The herd has always been maintained under natural conditions without any pampering or hot-house conditioning and they should continue to produce for their new owners under like conditions.

The several herd sires are sure breeders of outstanding calves as will be proven at sale time and will be fully guaranteed under the standard terms of the Association. All cows will either have a calf at foot or a certificate of pregnancy by a competent veterinarian and no further guarantee will be given.

Our decision to close out the herd was reached rather hurriedly and the cattle have received no special conditioning for this sale. They have produced best for us when unpampered and we prefer to sell them that way.

Whether or not you are in the mood for buying, we hope you will do us the honor of attending. We are confident that sale day guests will gain a favorable impression of the work we have done. --EULA and CARL H. STANDER

TERMS - CONDITIONS - GUARANTEE

HEALTH -- The Clay Hills Herd is certified Brucellosis Free, Certificate No. 15707. The herd is also Federally Accredited for Tuberculosis, Certificate No. 534652. Calfhood vaccination has been practiced regularly. Health certificates will be issued on sale day by an authorized representative of the Ohio State Veterinary Department.

TERMS -- The terms of this sale are cash. All settlements must be made with the clerk before cattle are moved. Each animal will be at purchaser's risk as soon as bid off, but every care and attention will be given until shipment is made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury. To avoid confusion, please hand shipping instructions to the clerk at the time of settlement. Also, give exact instructions as to transfer of pedigrees.

Because we are selling in a pavilion away from the farm, the need for prompt trucking and shipping will be obvious. It is our hope that buyers can take their cattle from the pavilion within 24 hours. However, if this is impossible, we will accommodate buyers by taking the cattle back to Clay Hills Farm where they will be held until convenient shipping arrangements can be made.

PEDIGREES -- A certificate of registry and transfer will be furnished for all animals and properly signed applications will be furnished for the registry of unborn calves.

GUARANTEE -- The Clay Hills Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy. Nearly every cow in the herd has a calf at foot or shows evidence of being in calf. Attention is called in this catalog and will be called again from the auction block to any that have given trouble in this respect.

As this is a complete dispersion, no guarantee will be given except in the cases of the three herd bulls that are presently in service, namely Louada Mandate (Lot 1), Ballathie Majestic (Lot 2), and Clay Hills

These two sons of Greenwood Souvenir were awarded first prize in the class for pair of bulls at the 1952 Ohio State Fair and second prize at the International Live Stock Exposition. The dam of one, and a half-sister of the other will sell in this dispersion.

Souvenir 47th (Lot 3). Carl H. Stander, owner of Clay Hills Farm, will guarantee the above named bulls to be breeders if they are maintained in as good condition as when purchased. In case they fail to prove breeders, notice must be given within six months of the date of this auction sale. The purchase price, without interest, will be refunded in case the above named bulls fail to meet the guarantee and the disposal of these animals will be at the option of the seller.

ANNOUNCEMENTS ON SALE DAY -- Although all information contained in this catalog is correct to the best of our knowledge at the time of printing, we must reserve the right to make announcements of correction. Accordingly, please understand that announcements made from the auction block on sale day will take precedence over matter printed in this catalog.

The above terms and guarantee constitute a contract between Carl H. Stander, the seller, and the buyer of each lot. Neither the Sale Manager, the persons delegated as clerks, the farm manager nor any other person has authority to alter the terms of that contract, nor do any of them assume any liability, legal or otherwise.

LIABILITY -- While every effort will be made to protect the safety and comfort of those attending, all who attend this cattle sale do so at their own risk. The owner, sale manager, clerks, auctioneers cannot be responsible for accidents that may occur. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, or possible errors in records or health papers. Where footnotes appear in the catalog, they were furnished by owner.

GENERAL INFORMATION

TIME -- This sale will be held on Saturday, May 28, 1960. Since this is a complete dispersion and a large number of cattle are involved, this sale will start promptly at 11:00 a.m. Eastern Standard Time, and will continue without interruption until all animals are sold. Lunch will be served at the sale pavilion.

LOCATION -- This sale will be held at the Morrow County Fair Grounds, Mt. Gilead, Ohio, located on U. S. Highway 42 (the main Cleveland, Columbus, Cincinnati highway). Mt. Gilead is also on State Routes 61 and 95 and is convenient to reach from all directions.

TRANSPORTATION -- Those coming by train may go to Mansfield, Ohio, on the Pennsylvania Railroad or to Marion, Ohio, on the Erie, Chesapeake & Ohio, or Erie Railroads. Mansfield is 23 miles and Marion is 17 miles from Mt. Gilead. Those coming by plane can land at the new Columbus Airport which is less than an hour's drive from the sale pavilion. We will be glad to meet sale day guests at trains or airports anywhere if notified in advance.

OVERNIGHT RESERVATIONS -- The sale headquarters will be at the Globe Hotel in Mt. Gilead, Ohio. Phone calls relating to the sale may be made to this hotel.

We also recommend the following motels to overnight guests:

Pines Motel and Restaurant, RFD, Mt. Gilead (on U. S. 42, twelve miles north of town).

Williamsport Motel and Restaurant, RFD, Mt. Gilead (on U. S. 42, eight miles north of town).

AUCTIONEERS -- C. D. Swaffar, Tulsa, Oklahoma, and H. Earl Wright, Mt. Gilead, Ohio.

MAIL ORDERS -- Those unable to be present, and who desire to do so, may send buying orders to any of the following men: Hal Longley, The Shorthorn World, Aurora, Illinois; H. W. Walker, Eastern Fieldman, The Shorthorn World, 3906 East 71st St., Indianapolis, Indiana; James Browitt, fieldman, American Shorthorn Assn., 212 Koster Street, Lexington, Kentucky; E. M. Huff, fieldman, Live Stock Breeder-Journal, Culpeper, Virginia; Ned Place, ringman, Wapakoneta, Ohio.

INQUIRIES ABOUT CATTLE LISTED -- The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Illinois.

TELEPHONE NUMBERS -- The phone number of Carl H. Stander, owner of Clay Hills Farm, is Bellville, Ohio, TU 6-4593. The phone number of Harold N. Woody, herd manager, in Bellville, Ohio, is TU 6-4594. The phone number of Hal Longley, Sale Manager, is Aurora, Illinois, Twinoaks 6-8511.

A WORD FROM OUR VETERINARIAN . . .

To Whom It May Concern:

I, the undersigned Veterinarian, submitted blood samples to the Reynoldsburg State Lab. for the Brucellosis certification test on the herd of Shorthorn cattle belonging to Carl H. Stander, R.D. 2, Bellville, Ohio, owner of Clay Hills Farm, on Dec. 7, 1959.

At that time I found the herd, to the best of my knowledge and belief, to be free from symptoms of any transmissible diseases or exposure thereto.

OF THE LARGEST AND STRONGEST HERDS IN AMERICA

This is an unretouched snapshot of Elam Bar Centurian, bred by Sherrill Parks, Obion, Tennessee. He is a son of Louada Centurian by Calrossie Armada. His dam is Clay Hills Blythesome, a daughter of Greenwood Souvenir that was bred by Carl H. Stander. This bull was grand champion at the Mid-South Fair at 8 months of age, and grand champion and top-selling bull at the Southeastern Regional Show and Sale at 12 months, where he sold to Jack Hooker, Plant City, Fla.

The news that Carl Stander finds it necessary to disperse his Clay Hills Herd will be received with regret but good cattlemen will immediately realize that the sale of all the members of such a large and strong herd will provide wonderful buying opportunities. Established on a great foundation at the outset, this herd for 27 years has been managed properly. Strengthening additions have been made periodically, a rigid culling and replacement program has been followed, and the produce of the herd has found its way into the hands of good cattlemen.

Students of the breed will gain great satisfaction from a study of this catalog. The aims of the owner have been high. Carl Stander has not been interested in producing just the occasional single animal. The prime purpose has been to develop potent strains with uniformity throughout... blood that could be depended upon to reproduce that same uniformity for generations for Clay Hills customers and their customers. As a result, wonderfully prepotent and dependable families have been established. Those who make selections from these families are certain to profit.

Many times throughout the past quarter century, the owner of this herd has made it plain that he has no time for pampered cattle of the hot-house variety. The herd is being offered without special preparation and in exactly the right condition to insure future usefulness. Carl Stander has done a fine job for the breed and the members of his herd are certain to do well for those who buy them.

SOME THINGS YOU SHOULD KNOW

ABOUT LOUADA MANDATE 2922-011 ...

Purchased from Louada Manor Farms, Peterborough, Ontario, Canada 22, 1956, for \$3,500, at ten months of age. He is sired by Calrossie Armada by Calrossie Welcome by Calrossie Harmony, three great breeding bulls. His dam, Kair Nonpareil Evelyn, by Bapton Commando, and granddam, Kair White Nonpareil, by Calrossie Fearless, were among the tops of the great Louada Manor herd, generally accepted as one of the strongest ever assembled on either continent.

Louada Mandate has an especially wide loin carrying well up to his withers, deep body with straight top and bottom lines. He is comparatively short-legged with extra good bone. He has a pleasing head and especially pliable hide, the indication of good doing ability. He is a prompt server and sure breeder. He sells guaranteed to continue to breed or full purchase price will be refunded.

BALLATHIE MAJESTIC, IMP. — Purchased at Perth Show and Sale, Feb. 15, 1955, where he stood second in class of calves of like ages. He cost approximately \$3,500 F.O.B. farm when less than one year old. He is sired by Cruggleton Justinian, a half-brother to Calrossie Welcome by Calrossie Harmony by Glastullich Fortress. His dam, Ballathie Madge Ramsden 3rd by Glastullich Smasher, Perth Supreme Champion, by Glastullich Fortress. He is not as large as our other bulls but his good conformation and grand head should add balance to calves from the other sires. He is a sure breeder and will be guaranteed to breed according to the standard guarantee of the American Shorthorn Association. In event of failure under these terms, full purchase price will be refunded.

CLAY HILLS SOUVENIR 47th - The last son of the famous Greenwood Souvenir and retained for herd service. His dam is the Imported Princess Nance, Lot 52 in this sale. She is really one of the good cows of the breed and it was no problem to decide upon a cow to be the mother of our herd bull. He was used on only five cows at first, standing in the shadow of our more famous herd bulls but with the development of these calves into model Shorthorns, both male and female, his breeding ability was proved and he is being mated to a much larger number of our cows. He too is a sure breeder and will be likewise guaranteed as the other herd bulls.

KAIR RANGER – Imported son of Calrossie Crocus Count that has made such a sensational record at Marellbar Farms, Libertyville, Illinois. Lot 4 is a very promising son.

CLAY HILLS RANGER - A young bull got in dam with the purchase of Saltoun Augusta 25th (Lot 62) by Pittodrie Landmark and mated to Kair Ranger, Imp. by Calrossie Crocus Count. Kair Ranger was reserve champion bull at the International Show and calves by him at Marellbar Farm give promise of developing into great show animals. Saltoun Augusta 25th is a good type brood cow and excellent milker. Her sire, Pittodrie Landmark, sired a great bunch of females in the Saltoun herd. Only a few heifers have been mated to Clay Hills Ranger and his breeding ability is therefore to be proven so no guarantee will be extended as is the case of the three regular herd sires.

GREENWOOD SOUVENIR — Long dead but certainly not forgotten. We print his pedigree here in memory of one of the greatest sires of the past quarter century and because of the influence he has had on this sale offering. We paid \$4,900, top price of the 1949 International Sale to obtain him. During the next few years his calves were sensations of American show rings. His sons and daughters have scattered to many states and have worked improvement wherever they have gone. Eleven grand cows sired by him are included in this dispersion.

Aside from the three principal herd sires selling in this sale, all tried and proven, there will be twelve very promising young bulls.

Although many cowmen view a dispersion mainly as a place where wonderful opportunities are afforded for the purchase of cows and heifers, it will be well to remember that this will also be a good place to buy bulls.

CLAY HILLS MARSHALL -- A son of Louada Mandate out of our good Klaymor Princess Royal 54th, Lot 69. He is bred to make a real stock bull.

THIS IS A LARGE HERD, high in individual merit and backed by exceptionally strong ancestry - 27 of the cows have promising calves at foot that will go free with their dams. 20 more cows and 8 heifers are carrying calves. For those who are seeking females that will pay for themselves in a hurry, this will be an ideal place to buy. And remember...the CLAY HILLS HERD is Bangs Certified and T B Accredited.

Replacement heifers at Clay Hills Farm, with a few of the brood cows in the background. Many of these heifers, now mature cows, will sell in this sale with calves at foot.

On following pages will be found the pedigrees and descriptions of 66 females that are to be sold in this complete dispersion, 27 of them with calves at foot. Aware that good cattlemen are far more interested in production records than in glowing descriptions of animal form, we have stuck to facts in our footnotes. We are perfectly willing to allow prospective buyers to decide the individual merit of the animals on sale day.

Females have been cataloged by families in order to make advance study easier. No effort has been made to place the best animals forward in the catalog. All are dependable and worthy of the consideration of careful buyers.

CRUGGLETON ANNEXE – one of the great stock bulls used in the Marshall herd in Scotland. He is the sire of Lot 16 in this sale.

COLLEEN CLIPPER -- A great beef cow purchased in the Marshall dispersal in Scotland in 1952. From a great Cruggleton Clipper family descending from Cruggleton Perfect that produced many winners at Perth. Her sire, Cruggleton Annexe, was regarded as one of the greatest bulls of the breed, females by him invariably being the top cows in the various Scottish herds. She broke service around Christmas time and will be examined for pregnancy before sale time. A daughter sells as Lot 17.

BROADHOOKS 13th - A great old cow by Elmley Gold Patrol, imported by Frank Harding and sold after being used by Indian Valley Farms for \$2500. The dam, Millhills Broadhooks 12th by Ascreavie Democrat, was one of the greatest beef cows of her time and cost us a very high price. Her second daughter retained in our herd, Clay Hills Broadhooks 14th, sells as Lot 26. Her last calf, a bull calved July 23, 1959, is retained for a show steer and she is rebred since Dec. 20, 1959 to Clay Hills Souvenir 47th, our good red son of Greenwood Souvenir. This calf alone can pay for this grand old cow. It is seldom that a pedigree contains such famous sires as this one.

CLAY HILLS BROADHOOKS 14th -- A grand old show cow and member of our famous junior get-of-sire at the 1951 International Livestock Show. A great beef cow with grand head and an excellent milker. The ideal type for competing in the present day beef production. Her last calf, Clay Hills Sattelate, Lot 6, calved May 11, 1959, is ample proof of the ability of this cow. She is due to calve April 21, 1960 to the service of Louada Mandate.

OAKFIELD ESTELLE 2d – One may wonder why a 16-year-old cow would be included in a sale list...just simply to prove the prolificacy of a real brood cow. If one could be fortunate to start with this kind alone and be smart enough to keep all her female offspring, a different story could have been written here. She has produced an outstanding calf every year of her life since two years of age, including 1959, and she is due to calve again to the service of Clay Hills Souvenir 47th on Dec. 6, 1956. Four of her offspring were included in our 1959 sale at Willow Lee Farm. Four generations of her progeny are regular producers of outstanding beef Shorthorns. Two daughters and two granddaughters are included in this sale. She may be remembered as the cover girl with one of her calves on the 1959 Willow Lee–Clay Hills–Hoewischer sale catalog.

CLAY HILLS ESTELLE 5th – This daughter of Greenwood Souvenir was purchased in our 1956 sale by Lewis Babb, Washington C.H., Ohio. Her dam sells in this dispersion as Lot 34 along with four other members of this same famous family.

GIBBONSDALE PAULINE 2nd – A daughter of Calrossie Armada from one of the most popular families of the breed. To purchase her, we were compelled to pay Louada Farms \$2550 in their 1955 auction. She has a heifer calf that will sell as Lot 40, and three heifers and a bull calf since coming to Clay Hills. Her first heifer by Ballathie Majestic sold to Dr. House of Willow Lee. Her second and third heifers by Louada Mandate are included in the sale as Lots 38 and 39, while her fourth calf, a bull by Louada Mandate dropped Feb. 21, 1960, sells at foot. Five living calves in as many years certainly qualifies her as a prolific breeder.

LOUADA PAULINE 15th -- Purchased beside dam in the 1955 Louada auction, sired by Louada Fortress, top selling bull at \$7000 in the same sale and calving three good calves while still but 4 1/2 years old, should amount to some sort of a record for prolificacy. LOCHMOOR STELLA A – Half-sister to the dam of Ohio's Leader 2nd, grand champion steer over all breeds at the Chicago International Show. Lochmoor Stella A was champion at a strong 1950 Wapakoneta show and top selling female of the sale. She produced five consecutive top bulls, three of which were used in our herd. One was Clay Hills Souvenir 7th, first prize summer yearling at the Ohio State Fair and second to Leveldale Custodian at the International. One of her daughters sold in our 1956 auction to Brown-Forman farm in Ky. for \$775, another sells in this auction as Lot 50. She has recently been rebred to Louada Mandate and will be examined for pregnancy before sale time.

IMP. PRINCESS NANCE -- I purchased this cow as a sucking calf off her mother in the Cruggleton Dispersal Sale in Scotland because I thought her mother to be the best cow in that great sale. I had to pay \$1400 to get her and naturally was pleased when she developed into such a great beef cow. Her sire, Cruggleton Crosley, was first at Perth and tops at the great Scottish shows, including reserve champion at Yorkshire, later selling for a high price. Her mother likewise produced Cruggleton Purcell, sold to the Argentine for a high price, as well as several others equally valuable. Princess Nance has calved several good bulls including Clay Hills Souvenir 47th, our outstanding young herd bull. Her 1959 bull calf by Mandate sells as Lot 10 and she is due to calve again before sale day to Louada Mandate.

CLAY HILLS AUGUSTA 3rd A -- A great breeding daughter of Greenwood Souvenir that annually produces a wonderful calf. She descends from the Parkdale Augustas, one of the oldest families in our herd, four generations of which have stood our rigid culling practice. A number of these Augustas have been sold to other herds where they have proved highly satisfactory. A recent one, Clay Hills Augusta 3rd A-1, went to Fred Smalstig at Pittsburg, Pa., where she is producing championship calves. Two of her daughters are included in the sale, and she has a bull calf dropped January 7, 1960, at foot, by Louada Mandate.

CLAY HILLS BEAUTY 3d A -- A great daughter of Pittodrie Upright out of Beauty 3d by Rigfoot Sensation, sire of many champions in Canada a few years ago. Beauty 3d was reserve champion female at the Canadian National Exposition. She has regularly produced a good calf each year, one of her daughters selling for \$1300 in our sale with Hi Ho Farms several years ago. A full sister, Clay Hills Beauty 3rd B sold for \$1050 in the 1950 International sale. Her 1959 calf, Clay Hills Marksman, sells as Lot 14 and she is rebred to Clay Hills Souvenir 47th since Nov. 1, 1959.

CLAY HILLS BEAUTY W 2nd – Major Allen bought this heifer to establish the Beauty family in his famous Hi Ho herd. We re-purchased a granddaughter to keep the family strong at Clay Hills Farm. This granddaughter will sell as Lot 66 in this dispersion.

ELEANOR BEAUTY – Purchased from Hi Ho Farms, Phoenix, Md., and by Burnton Serenade Imp., bred by the Anderson Bros. in Scotland. Her dam, Carnation Beauty, was bred by us and descended from the famous Maxwellton Beauty family which produced so many show winners in that herd. Her first calf, a good type, well-balanced bull, was sold to Robert Tudor & Son where he is producing the best calves ever dropped in that good Ohio herd. Her second and third calves, both extra good heifers, are included in this sale as Lots 67 and 68. She is due to calve again on June 17, 1960, to the service of Louada Mandate. Do not discount this grand, young cow due to her thin condition as she has been too busy having 4 calves during her 5 years of life to put on any extra fat.

CLEAR CREEK LAVENDER 6th -- Another Kirkton Gambler daughter of Imp. Lavender Loudon purchased in the Cruggleton Dispersal by Marion Woody at a high price. Her dam has a straight Marshall pedigree and is a three-quarter sister to Cruggleton Leishman, outstanding Marellbar sire. Clear Creek Lavender 6th was pasture bred during last summer to Clay Hills Souvenir 47th and should calve by sale time.

STROWAN SOUVENIR — many times a grand champion and famous sire for Hanson Heights Farm, Connersville, Ind. He is from the famous Clay Hills Annette family.

WONDER'S PRINCESS ROYAL 2nd – A cow purchased in the Willow Lee sale with a good bull calf at foot for \$500 just because she was very thin. This calf developed into a good show bull winning his class at the Ohio State Fair and later selling in the International sale to John Whitehead for a herd sire at his famous Robbinwood Farm in Indiana. She was carrying a second calf when purchased which became Wonder's Princess Royal 3d which sold for \$575 in our 1959 auction sale to Schreiber Farms, Missouri. Her third calf, an outstanding bull by Louada Mandate developed glandular trouble and was salvaged. Her fourth calf, born April 30, 1959, a bull by Louada Mandate, sells as Lot 8 and she is expecting her fifth calf before sale day. Five calves for less than four years keep. Buy this Shorthorn factory and get on the assembly line production basis.

CH ORANGE BLOSSOM D - One of the best breeding daughters of Greenwood Souvenir. We sold this cow as a bred heifer in the International sale to Strowan Farms for \$1050 and later re-purchased her in their dispersal sale. She has calved regularly - every calf a show calf of highest quality and selling at an average of approximately \$1,000. One bull calf went to the McIntyre herd in Maine, a heifer to the Campbell herd in Pennsylvania and another heifer to Maclyn Plantation in Georgia. She continues to breed on as her bull calf at foot, calved March 11, 1960, by Ballathie Majestic, and her yearling bull by Louada Mandate, Lot 5 will testify.

CLAY HILLS FLORA -- K F Victory Flora 2d will be remembered as the great show cow by Marshall Monty selling to us at the International Sale, 1951. When mated to a good, heavy boned son of Greenwood Souvenir, she produced this beautiful young cow. Clay Hills Manifest, sold in our 1959 sale at Willow Lee Farms, was out of Clay Hills Flora. We experienced some difficulty getting her settled in calf during 1959 but will have her examined before sale day to definitely determine pregnancy.

CLAY HILLS MANIFEST – a grand young bull purchased in our 1959 sale by Charles Slattery, Mt. Sterling, Ohio. His dam sells as Lot 78 in this dispersion.

CLEAR CREEK JEALOUSY 5th – She is in thin flesh but her production record speaks for itself. Her first calf was a reserve champion 4-H steer. Her second was 1st prize junior heifer calf at the Ohio State Fair and 1st prize sale class at the International, now owned by Hi Ho Farms. Next, a pair of twin heifers – one was 2nd prize junior heifer calf at Ohio and Indiana State Fair. The next heifer was champion female at the Mansfield Fair and top selling heifer in the Ohio Shorthorn and Polled Shorthorn sale. The next calf, a bull by Mandate, was champion at Mansfield Fair and sold privately. We lost the next calf at birth and she now has a very nice dark roan bull by Mandate, born March 25, 1960.

GOOD CATTLEMEN ARE ATTRACTED TO CLAY HILLS FARM

Mr. and Mrs. Carl H. Stander, owners of Clay Hills Farms, have a big smile of greeting for Dwight Griffith, Vice-president and manager of Acadia Farms, Northfield, Ohio.

Someone told a funny story and owner, Carl Stander, enjoys it, along with Bill Hoewischer of Ohio, Stan Perkins of Michigan, and Fred Smalstig of Pennsylvania.

Wilbur Donaldson, manager of Louada Manor Farms, Ontario, and Bob Heine, southeastern fieldman for the American Shorthorn Association, talk things over.
